EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. The application has been amended as follows:

Claim 6 is cancelled.

REASONS FOR ALLOWANCE

3. The following is an examiner's statement of reasons for allowance:

The application is allowable for the reasons set forth on pages 4-5 of the decision of the BPAI: "Radwin does not disclose giving a numerical score to an advertisement based on a degree of match between a query and the characteristics of the advertisement" (page 4, lines 21-23) and "a selector to select some of ordered advertisements relative to a ranking cutoff" (page 5, lines 1-2). The most pertinent prior art known to the Examiner is listed on the attached forms PTO-892 and 1449. None of the prior art of record teaches, discloses or suggests a method of presenting targeted advertisements based on a degree of matching with a search query that includes an indexer, a scoring system and a ranking cutoff in the manner as those recited the present claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
